

Croydon Creek Nature Center

Seed Sale for Outdoor Feeders

Order deadline **FRIDAY, NOV. 27** • Pick-up orders on **SATURDAY, DEC. 12**, from 9 a.m.-4 p.m.

Seed Descriptions and Uses

BLACK OIL SUNFLOWER (20 lbs.) \$25

High-energy food that attracts a wide variety of birds.

NYJER (5 lbs.) \$15

High calorie and oil content. Attracts finches and other wild birds.

SELECT CHIPS (5 lbs.) \$12

Hulled sunflower chips are a great seed to use in tube feeders. Attract a wide variety of birds. Great for decks and patios.

SAFFLOWER (20 lbs.) \$30

Safflower seed is attractive to many birds but not much to squirrels. Safflower seeds have thin, small shells that leave minimal residue.

PEANUT SPLITS (20 lbs.) \$35

Attractive to jays, woodpeckers and squirrels.

PATIO BLEND (20 lbs.) \$40

Sunflower chips, split peanuts, hulled millet. Great for patios and decks.

HIGH ENERGY SUET \$2/cake

Suet provides important energy for birds in the winter months. Use a cage feeder in your backyard for these high energy meals.

Tax included in all prices.

Why feed wildlife? Helping Mother Nature and relieving stress in our own lives are some of the many benefits. Feeders give wildlife the extra strength they need for migration or energy for the cold winter months. Taking care of the environment and teaching our children to do the same is one of the greatest benefits of this activity. *Support Croydon Creek Nature Center while supporting the environment.*

Mail check and order form to: Croydon Creek Nature Center, 852 Avery Rd, Rockville, MD 20851 **OR** complete this form including credit card information and fax to: 240-314-8779.
